FACEBOOK BY THE NUMBERS

1.35 billion monthly active users

864 million daily active users

Users spend an average of **40 minutes a day** checking Facebook

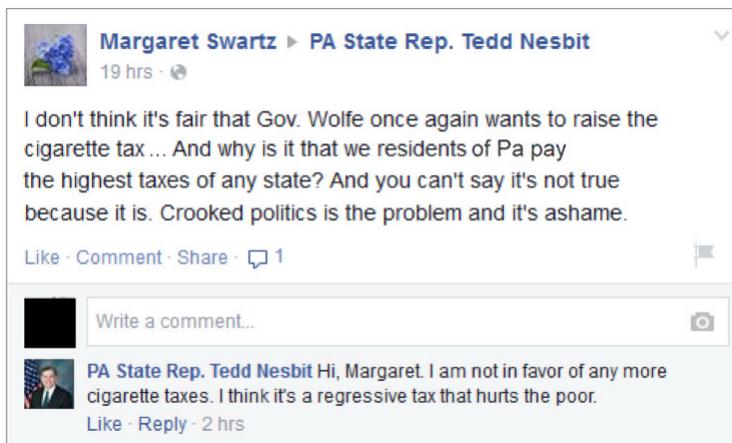

Why It's Important

One-third of Americans get their news from Facebook. By being an advocate on Facebook, you can help drive awareness, ignite conversation, and engage your legislators.

TOP FACEBOOK TIPS

- **Spread the Word.** *Citizens for Tobacco Rights* provides members with important updates in their states. Letting your Facebook friends know about unfair taxes and regulations is a great way to build opposition to these proposals.
- **Like Citizens for Tobacco Rights on Facebook.** Liking our page will help you receive real-time updates and action alerts right in your news feed. <http://www.facebook.com/CitizensforTobaccoRights>

- **Share Your Actions.** Many people are afraid to call or email their elected officials. After you take action, let your Facebook friends know that it was easy and will make a difference. Be sure to tell them to visit TobaccoRights.com for information on how to speak out.
- **Contact Your Legislator.** Facebook gives you an outlet to directly contact your legislator. Speak out — tell them how targeting adult smokers would hurt you.
- **Recruit Your Friends:** Link to TobaccoRights.com and encourage your friends to sign up for CTR to learn more about issues affecting adult tobacco consumers and take action.
